Technical Team Bios

Person	Bio-Sketch
<p>Edward J. Alford Manager of Contraband Prevention and Security Crowley American Transport, Inc.</p>	
<p>Melchor (Mel) Becena Security Administrator Port Everglades</p>	<p>Mel Becena is currently the Security Administer for Broward County’s Port Everglades. Mel joined Port Everglades from the Security and Intelligence Division, Public Safety Business Center, in Fort Bragg, North Carolina where he was a Physical Security and Anti-terrorism specialist. He has over 20 years of experience in security specializing in counter-terrorism, anti-terrorism, Intelligence and physical security.</p> <p>Mel retired from the U.S. Army after twenty years of service. Highlights of his military career include serving in a Special Forces Operational Detachment with the mission to conduct Intelligence and terrorism counter-action operations. He also served as Information Security and Operations Security Officer for the United States Army Special Operations Command. After retiring from the U.S. Army in 1999, he was Security Manager for Hecla Mining Company in Venezuela and then in charge of corporate security for Visa International, in its Latin America and Caribbean Region.</p>
<p>Vincent Max Campos</p>	
<p>Frank K. Castillo U.S. Customs Advisor</p>	
<p>Lieutenant Kenneth Christopher Seaport Operations Section Port of Miami-Dade Miami-Dade Police</p>	<p>Lieutenant Kenneth Christopher is with the Miami-Dade Police Department. He is a 25-year police veteran with substantial managerial experience in law enforcement and security operations at the Port of Miami-Dade. He has been directly involved in the security enhancements at the Port of Miami-Dade, including: Seaport Identification Cards; the computerized gate security system; reorganization of a combined police-security force; implementation of statewide seaport security standards; and participation in interagency law enforcement and security efforts.</p> <p>Since 2002, Lieutenant Christopher has participated in the Organization of American States/U.S. Maritime Administration’s InterAmerican Port Security Training Program as an instructor, and in redeveloping the curriculum for conducting seaport security vulnerability assessments.</p>
<p>Bill Dewitt Security Director Stevedoring Services of America, Inc.</p>	
<p>Ken Egan USCG Foreign Port Assessments</p>	<p>Kenneth Egan started his business career in the Transportation Group of the IBM Corp, where he designed systems for truck fleet management, customs brokerage, voyage modeling, and vessel security. He moved into the international marketing team at IBM where he was the divisional sales lead to the international maritime community. After ten year with IBM, Ken spent 20 years with a Greek shipping organization as their US Director of Information Systems. Ken joined the US Coast Guard Domestic Port Assessment Team in 2002 and was appointed Deputy Chief of the International Port Security Program in October, 2003</p>
<p>Matthew J. Maher International Business Research & Consultation Services</p>	<p>Matthew J. Maher is a 25 year veteran of the US Drug Enforcement Administration (DEA) who served as the agency’s Director of International Operations and Chief of Inspections. Since retiring he has been engaged providing consulting services to governmental and inter governmental</p>

	organizations as well as to the private sector on international security matters and programs to enhance government and private sector cooperation on security.
Thomas Morelli Program Manager for Port and Cargo Security Maritime Administration	Mr. Morelli is Program Manager for Port and Cargo Security, Maritime Administration, U.S. Department of Transportation. Previously, he worked as a Latin America/Caribbean analyst with U.S. Department of Defense. He is a retired U.S. Navy officer. Prior to working for the U.S. Government, he was a south Florida police officer and narcotics investigator, and was decorated for successes against smuggling organizations
